## 2024-2028 Strategic Plan

<p><b>Mission</b></p>	<p>We connect Alabamians: to tell stories and to listen, to share ideas and to learn, to link the past to the present, and to seek a deeper understanding of our humanity.</p>
<p><b>Vision</b></p>	<p>We see a future for a better Alabama by nurturing the best in us as people. Our work is a public service that promotes lifelong learning, strong communities, a healthy democracy, and prosperity for all Alabamians.</p>
<p><b>Values</b></p>	<p><b>Ideas</b> – We embrace and promote curiosity, storytelling, learning, and civic responsibility. There is imagination and inspiration in all we do.</p> <p><b>Community</b> – We celebrate the myriad individuals and cultures of our state. Alabama is at its best when we embrace our common bonds and shared responsibilities as citizens and neighbors.</p> <p><b>Collaboration</b> – We seek allies. We work in a spirit of inclusiveness and partnership with individuals and organizations to achieve our common goals and create positive public impact.</p> <p><b>Stewardship</b> – We are grateful for financial support and carefully manage the resources entrusted to us. We actively solicit additional resources to expand our work across the state.</p> <p><b>Respect</b> – We honor diverse backgrounds, experiences, and viewpoints. We value opportunities that challenge us to think more deeply about the wider world and that help us to understand ourselves and people unlike us.</p>
